

WHITENING FOR LIFE PROGRAM

Professional Teeth Whitening for Life is a courtesy and a privilege compliments of Dr. William Myers Dentistry. This program is extended to guests who have proven themselves as individuals who take their oral hygiene and general dental health seriously. We believe it is extremely important to maintain recommended hygiene care appointments and receive necessary dental treatment to maintain a healthy and beautiful smile.

We pride ourselves on the smiles that leave our practice. **Professional Teeth Whitening for Life** was developed as a free gift for those guests who are already taking their dental health seriously, and as an incentive for those who need a little help keeping up with their dental care. Guests will receive custom made, professional take home whitening trays for personal use; plus whitening solution refills at each subsequent hygiene visit for an enrollment fee into the program of only **\$199**.

While **Professional Teeth Whitening for Life** is a gift from us to you, the program does require some rules:

A **one-time enrollment fee of \$199** will be due upon joining this lifetime program. **Should any of the rules fail to be met, you will be disqualified from the program and given the opportunity to re-enroll for a \$30 re-activation fee. If you are a current guest with trays, there will be a \$99 activation fee to join this program.**
